

Poster Guidelines

1. Posters should have a **maximum** height of 120 cm and a **maximum** width of 90 cm, as shown in the figure below. Given that space is limited, all posters must conform to these guidelines.

2. It will be given to each poster an identification number which will be shown on the board where the poster should be placed.
3. The organizers will make available materials to fix the posters but the presenter is responsible for fixing and removing the poster.
4. You may consider having photocopies of your poster available to distribute to participants.
